Under the Omnibus Budget Reconciliation Act of 1993, expenditures paid or incurred in connection with "Lobbying Activities" no longer qualify as deductible business expenses for tax purposes. NAWC is required to provide you with an estimate of that portion of your 2017 dues that will not be deductible because of the law. That figure is 16% of your 2017 dues. The actual lobbying percentage for 2015 was 15%.

Contributions or gifts to NAWC are not tax deductible as charitable contributions for income tax purposes.
