

A Public-Private Partnership is a **contractual agreement** between a **public agency** (federal, state or local) and a **private sector entity**. Through this agreement, the **skills and assets** of each sector (public and private) **are shared** in delivering a service or facility for the use of the general public. In addition to the sharing of resources, **each party shares in the risks and rewards** potential in the delivery of the service and/or facility.
