

# Sponsorship Opportunities

## Who We Are

The National Association of Water Companies (NAWC) Water Summit is the premier event for the private-water industry. This three-day dynamic forum allows for attendees to hear from industry executives, policy experts, consumer advocates, and regulators about current and emerging issues facing the industry.

## Audience

- Public Utility Commissioners and staff
- C-suite and senior level executives
- Senior-level professionals in government and regulatory affairs, PR & Communications, engineering, cyber-security and IT, environment and sustainability, legal, HR, customer experience, operations management, procurement and supply chain, marketing and more.

## All five levels of sponsorship receive:

- Complimentary registrations and sponsor reception invites
- One 6-ft exhibit table, with electricity
- Name/logo on website, social media, event signage, and during sessions
- Recognition from podium
