

Jenalle Brewer

**Senior Vice President, Drinking Water Solutions,
Innovative Carbon Technologies, Global Strategy,
and Corporate Marketing & Communications**

Jenalle Brewer joined Calgon Carbon in 2012 as the Senior Marketing Manager of the Specialty Products Business Unit. In 2015, Jenalle was promoted to Director of Marketing and Product Management for the Specialty Products Business Unit and served as Calgon Carbon's PFAS Team Leader. In 2018, she was promoted to the Global Head of Business Development and, in 2019, to the Executive Director of Innovative Carbon Technologies. In 2020, Jenalle was promoted to the role of Vice President of Global Business Development.

Prior to joining Calgon Carbon, Jenalle spent five years at PPG Industries, where she held positions of increasing responsibility in engineering, research and development, manufacturing, and procurement.

Jenalle holds a Bachelor of Science in chemical and biomolecular engineering from the University of Notre Dame and an MBA from the University of Pittsburgh's Katz Executive MBA Program. Jenalle spent a 6-year term as a Board Member with Leadership Pittsburgh and is currently a member of the Board of Directors for the Carnegie Science Center.
